Beginning March 1, 2024, the Department of Professional Licensing (“DPL”) along with all agencies in the Public Protection Cabinet will be transitioning from using Zoom to Microsoft Teams for our online board meetings. This move is aimed at streamlining our communication tools, increasing the safety and security of our virtual meetings, and enhancing overall efficiency.

Please take a moment to familiarize yourself with Teams prior to the transition date. We appreciate your cooperation during this transition and look forward to the enhanced features and security that Teams will bring to DPL.
